

Raise money for the Southern California Chapter just by searching the Internet using GoodSearch — it doesn't get any easier than this!

Raising money to fight MS is just a mouse click away! Use GoodSearch.com like any other search engine (they've partnered with a leading search engine, Yahoo, to ensure the best results), and each time you do, money is generated for the Southern California Chapter.

Every time you use GoodSearch, you raise approximately \$0.01 for the Southern California Chapter. Think about how many times people search the Internet each year – the pennies can quickly add up! For example, if 1,000 Chapter supporters searched twice a day, we would receive an estimated \$7,300 per year to help fund our mission to end the devastating effects of MS. If 20,000 of our supporters and volunteers used it twice a day, we 'd earn approximately \$400 a day!

Start using [GoodSearch](#) today for all of your internet searches, and help raise much needed funds for the National MS Society, Southern California Chapter!

We hope that you use GoodSearch as your main search engine from here on out, and also pass this message on to your friends and family. The more people who use this site, the more money will go to your favorite cause.
